## **AFA Membership Survey**

Dear Julian,

The Atheist Foundation of Australia seeks your input. In order to determine the priority of issues which are important to our members, we ask you to complete a short survey. The survey consists of a number of topics and asks that you rate how important each one is to use. We shall use this data to determine the overall relative importance of issues for atheists in Australia and prioritise future activities inline with the results. This is your chance to have some input of the direction of the Atheist Foundation of Australia, so your input is valued.

# Issues of Importance for AFA Members

We want to know what the most important issues are to our members. To this end, please find enclosed a short survey. We would like you to rate each issue on a scale of "1" to "10" where "1" is totally unimportant and "10" is extremely important to you.

Please return your survey by the 31st of October.

Thank you from the Atheist Foundation of Australia.
